

HISTORIC AMERICAN ENGINEERING RECORD

INDEX TO PHOTOGRAPHS

HOOVER DAM, METROPOLITAN WATER DISTRICT
SWITCHYARD
(Boulder Dam)
(Boulder Canyon Dam)
U.S. Highway 93
Boulder City vicinity
Clark County
Nevada

HAER NV-27-C

INDEX TO BLACK AND WHITE PHOTOGRAPHS

Deborah Dobson-Brown, photographer, November 2001

NV-27-C-1	Overview of the Metropolitan Water District Switchyard, view northeast
NV-27-C-2	Oil circuit breakers (southeast corner), view north
NV-27-C-3	Disconnect switches (center group, south side), view north
NV-27-C-4	Light fixture on bus tower, view northwest
NV-27-C-5	Concrete foundation for removal OCB bank, view north
NV-27-C-6	Concrete foundation for removal disconnect switch, view north
NV-27-C-7	Operator mechanism for disconnect switch, view east
NV-27-C-8	Oil circuit breakers, view east
NV-27-C-9	Sectionalizing disconnect switch control, view southeast
NV-27-C-10	Spare bushings for OCB, view west
NV-27-C-11	Concrete pads for removed OCBs, switches, view southeast
NV-27-C-12	Wave trap on west edge of bus, view northeast
NV-27-C-13	Coupling capacitor potential devices (disconnected), view east
NV-27-C-14	Disconnect switch mechanism, view north
NV-27-C-15	Disconnect switch mechanism, view north
NV-27-C-16	Disconnect switch receiving horn, view north
